PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1c (DIA). The photographic analysis for this particular report was performed by the Production Center 1P1c.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

Shepetovka Army Barracks Northwest is on the northwest side of Shepetovka and covers approximately 355 acres. The area is road and rail served (Figure 1).

Within the installation are three probable barracks, six multistory barracks, two multistory administrative buildings, two administra-

tive buildings, one maintenance building, six vehicle storage buildings, 22 general storage buildings, and five support buildings (Figures 2 and 3).

The installation appears active and is currently being utilized. A small arms range active in [REDACTED] appears to have been abandoned.

25X1D

DESCRIPTION OF INSTALLATION

Railroad Service

The installation is served by a single-track rail spur with no apparent unloading facilities.

Road Service

Improved roadways provide access to Shepetovka.

Administrative and Troop Housing Areas

Area D1 (Figure 1) contains four multistory barracks, one multistory administrative building, three storage buildings, and two support buildings.

Area D2 contains two irregular-shaped, multistory barracks and three support buildings.

Area D3 contains three probable barracks.

General Storage Areas

Area E1 has four general storage buildings.

Area E2 has four general storage buildings.

Area E3 has nine general storage buildings.

one 215- by 50-foot vehicle storage building, one 250- by 50-foot vehicle storage building, and one administrative building.

Equipment Storage/Maintenance Areas

Area J1 has two 150- by 35-foot vehicle storage buildings and one administrative building.

Area J2 has one 370- by 45-foot vehicle storage building, one 240- by 45-foot vehicle storage building, one 315- by 70-foot maintenance building, two storage buildings, one administrative building, and one possibly multistory administrative building.

Athletic Field

Area K is a probable athletic field.

Small Arms Firing Range

An old small arms firing range immediately east of the installation has been abandoned.
